Love and Loss: Reimagining Our Relationships

Spring Renewal April 21-23, 2017

Are you searching for a fulfilling personal relationship, trying to make an existing relationship work, or grieving the loss of a relationship? We all share these common and challenging concerns. Our lives are full of evolving, changing relationships as well as the anticipations, passions, joys, and losses that often come along as we endeavor to grow. Living the mystery of Life can be thrilling as well as daunting, but a necessity, as we explore the best of what life has for us.

Our semi-annual Men's Fellowship Renewals offer a safe place in which we can be open to this quest and the process of unpacking the issues that underlie it. We welcome our sometimes-raw emotions and self-aware laughter at our foibles. Join our spring renewal at Camp deBenneville Pines in the beautiful San Bernardino mountains as our small kinship groups support each other as we reimagine our personal relationships with others and the wider world. We look forward to your presence in our circle of brotherhood.
